A Division of Gogel Enterprises

Dear Affiliate,

My Limo, a division of Gogel Enterprises, has been located in East Hanover NJ since 1962.

Our fleet consists of **55 black Lincoln town car L series sedans, 3 BMW 750 LI, 3 Lincoln MKT, 4 SUVs, 7 eleven passenger vans, 7 Lincoln stretch limousines and 13 mini-buses.** The company owns the entire fleet and, all of our chauffeurs are employees of the company.

We are the vendor of choice for Fortune 500 companies global in nature to the small mom and pop corporations in the tri-state area. We value and treat each passenger with the same personalized service and standards of excellence.

August 2008 we became the in-house transportation company for the Westin Governor Morris Hotel.

July 2009 we became the in-house Transportation Company for the Dolce at Basking Ridge and October 2009 we became the in-house Transportation Company for the Hamilton Park Hotel and Conference Center (we staff the desk 5 days a week from 7am to 7pm at both properties).

December 2011 we became the in-house transportation company for the Short Hills Hilton.

Our reservation and dispatch departments are staffed 24/7 year round. When contacted by telephone (in most cases), we can have a vehicle to the New York Metropolitan area and its surrounding airports within 30 minutes.

Our online reservation system is linked with most if not all-online booking tools (IE. Saturn, Apollo and Sabre). We can also accept reservations through our website at www.mylimo.com.

It is company policy that we do not charge additional fees for early morning, late evening, weekend or holiday pickups.

With regards to service excellence and brand differentiation, our company has been involved in a continuous improvement process initiated two plus years ago designed to give our customer(s) the best possible transportation/travel industry experience. Our strategy mirrors efforts at Ritz-Carlton, Disney, Avis Rent-A-Car (and other superior brands) and focuses on individualized and personalized sensitivities and responses to customer needs.

If you have questions do not hesitate to contact us.

Thank You
