The rates above are ALL INCLUSIVE based upon Northern New Jersey wait and returns. These rates are based upon the time of a regulation NFL Football game (estimated time is 6 hours including travel time). If the games goes into overtime or if the client would like to tailgate or go out to dinner, or any other venue before or after completion of the game, they are to be billed at the regular hourly rates plus chauffeur compensation for the actual time spent. Parking pass and tickets are not included.
